LIFE INSURANCE INCREASE

TO: All Retired Members Who Maintained City Life Insurance
FROM: Dave Williams, Plan Administrator
SUBJECT: Life Insurance Increase – PBA Notice
DATE: December 22, 2016

Dear Member:

The PBA is attempting to formulate a list of members who maintained life insurance post-employment. As this is a direct self-pay benefit, we do not keep a record of participation. The PBA asked the city for the list through a public records request, but as of this date, the city has failed to comply. As such, I am conducting this mailout to all retirees. If you DID NOT maintain the life insurance no action is being requested and this does not apply to you. If you did maintain life insurance coverage please read the reverse side of this letter and contact the PBA directly without delay.

In closing, on behalf of your Board of Trustees, I wish you a glorious holiday season and a joyful new year.

Re: Hartford Life Insurance

Dear Retiree:

Please be advised that the Palm Beach County Police Benevolent Association ("PBA") would like to notify all retirees who had the Hartford Life Insurance, the PBA is looking into suing the City of West Palm Beach regarding the 600% increase in premiums. To the best of our knowledge, the premium has never been increased and the understanding upon retirement was if you purchased Life Insurance coverage and remitted payment upon the due date each year, you were covered for life without a premium increase.

If we have a viable case, we need the name of each retiree, who had the same understanding before we can proceed with the lawsuit.

Please notify us as soon as possible (via email if possible) if you had/have the coverage and are interested in being named in the lawsuit.

Sincerely,

Ernest W. George
